

Fair Projects

 Cooperative
Extension Service

4-H Project work is an opportunity to find new and exciting areas of interest. There are a couple of ways to complete 4-H projects for submission to the Garrard County Fair. You can participate in a 4-H workshop or complete a project independently. If you choose to complete an independent project, feel free to reach out to the Garrard County Extension Office for resources and/or materials.

A complete list of clickable links can be found at the QR Code. Project examples include leaf collections, baking, honey, insect collections, photography, cake decorating, sewing, woodworking, and several more. Check out the links for more information.
